

### Course Information

- The Essentials for Rough Diamond Evaluation & 5-day Lab offers a blended learning experience for students.
- This is a two-part programme.
  - **Theory** is done through our online portal, with instructor lead video, interactive quizzes, images, text and booked contact sessions with lecturers. **(Prerequisite to continue with the lab)**
  - **5 Day Practical Lab** class at our premises, where theoretical knowledge will be put to practical application. We make use of a large variety of natural rough diamonds and various other stones.
- Students are taught to understand the characteristics and estimate the **Clarity, Cut, Colour and Carat- Weight** of a rough diamond.
- On completion of both Modules a student will be able to identify a diamond and **determine a market value** for a diamond or parcel of diamonds.
- Students are provided with the necessary tools and equipment required for the programme during the practical phase. (The tools and equipment remain the school's property.)

### Duration

- Theory: At your own pace (Course will be available for 3 months after Registration.)
- Practical: 5 days Instructor lead sessions (Practical component to be completed within a 6 months period after registration)
  - Monday to Friday
  - 08:00- 15:00

### What will it Cost?

The course fee is R13 212.00 (Inclusive of VAT)

- Students are provided with the necessary tools and equipment required for the programme during the practical phase. (The tools and equipment remain the school's property.)

### What will I get?

On completion of the Online Theory and the 5 Day Lab you would have completed the **Rough Diamond Evaluation Qualification** and receive a Certificate from Harry Oppenheimer Diamond Training School.

### Important information that I need to know?
